## Spotsylvania County GOP Announces New Chairman

### Spotsylvania, VA April 8, 2008 –

Spotsylvania Republicans gathered at their annual mass meeting April 5<sup>th</sup> and elected Livingston District resident Bryce Reeves as the committee's new chairman.

Robert Stuber, the previous chairman, was recently appointed as the Vice Chairman of the 1st Congressional District Republican Committee and announced he would not seek another term as county chairman. Stuber supported Reeves' candidacy and said he is pleased with the outcome of the election.

Reeves brings tireless energy, experience and proven leadership to the position being vacated by Stuber. His goals are to unify the Republican base in Spotsylvania County and bring more people into the Party to have an impact within the community of Spotsylvania County.

Reeves said, "I'm excited about getting to work on behalf of my fellow county Republicans and taxpayers. The time to bring leadership and fiscal discipline to the tax-and-spend mentality is now. We're at a pivotal moment in our county's delicate economy. Where we go from here in 2008 will chart the course for the next several years.

"I'm encouraged by the large number of recent membership applications to the GOP committee. This tells me that the local party is energized and more people are realizing that now is the time to get engaged."
